

This institution leverages the diverse perspectives of its worldwide team, fostering a culture of "intentional inclusion." They work to achieve a feeling of connectedness in the workplace and an interior reflecting this commitment to their associates was a key driver in their recent renovation.

Top: Highline Fifty conference table, plain sliced walnut slab top, polished chrome edge and center field technology, shown with Highline Fifty credenza, multi color, high gloss polyester case and interior, clear glass serving top. Bottom left: Highline Fifty table top, plain sliced walnut slab over polished chrome metal detail. Bottom center: Highline Fifty Credenza, multi color, high gloss polyester case and interior, clear glass serving top. Bottom right: Highline Fifty Credenza, multi color, high gloss polyester case and interior, clear glass serving top, recycling and trash drawers. Images © Garrett Rowland 2018.

Gathering spaces with a hospitality sensibility evoke a feeling of well-being. Through the mix of serene colors and the natural, calming properties of wood and nature, this space invites associates relax in their environment.
