Introduction

The DatesWeiser Price List and Specifications Guide introduces our offerings and provides you with the ability to specify and price them.

Four collections are showcased:

- Highline Conference Tables, Meeting Tables, and Credenzas
- Highline Fifty Conference Tables, Meeting Tables, and Credenzas
- Highline Twenty-Five Credenzas

Materials and finishes available for the collections are described on the next page.

Technical Information about our furniture begins on [page 274](#). You will find detailed descriptions about construction, elevations, power and connectivity, credenza configurations and options.

FSC® Certification: FSC-C103565

Responsibly harvested materials certified by the Forest Stewardship Council® are available upon request and may increase pricing. Requests for FSC® certified materials or LEED certification must be made before an order is processed.

USING THE PRICE LIST

Product information is presented as follows:

- General description of the product.
- Dimensions of the product and additional details.
- Pattern number: Code that denotes the product line (02 Highline Collection/ 03 Highline Fifty Collection/ 04 Highline Twenty-Five Collection).
- Starting Price: The lowest base price, which represents the most cost-effective finishes and configuration.
- Steps: Options, finishes and other features that allow you to build the pieces as you desire.
- Some options carry an additional cost. The cost of the option needs to be added to the Starting Price shown at the top of the page. For microphones and grommets please specify quantity desired.

Start with the pattern number and starting price. Then select materials and options using the codes provided. Add additional costs from selections (if applicable). Confirm quantities and email to customerservice@datesweiser.com.

Shipping charges will be added to your order. For a shipping quote contact your sales representative, email customerservice@datesweiser.com or call us toll free at 716.891.1700.

If you don't see what you want, we are happy to work with you to develop a unique product solution. Contact customerservice@datesweiser.com or call 716.891.1700 for a custom quote.

MATERIALS + FINISHES

Selecting materials and other features are the first steps to ordering your DatesWeiser furniture. As you move through the steps on the product page, you will need to fill in the blanks with the codes for the finishes and features you select.

Wood veneers are selected from the finest hardwoods available around the world and top coated with a low-VOC, post-catalyzed finish. The typical sheen is 30%.

Veneers come in three price ranges or Tiers. Veneers are described as follows:

- Cut: Plain-sliced, rift, quartered, engineered.
- Species: Oak, Walnut, etc.
- Finish: Natural, Smoked, Dark, Cerused, etc.

Quartered, rift-cut and engineered veneers are slip matched with the exception of Black Limba. Plain-sliced veneers are book matched.

For example, the finish code T124 denotes Tier 1 Plain-sliced Maple, Natural, and T227 denotes Tier 2 Quartered Walnut, Natural.

Requests for FSC® certified materials must be made before an order can be processed.

Glass 3/8" thick annealed low iron. DatesWeiser offers 14 standard back paint colors.

- GC__ Back Painted Clear Glass: Polished glass with back paint. Color codes are entered in the blanks. For example GC01 refers to clear glass back painted white and GC02 refers to clear glass back painted Grey.
- GE__ Back Painted Etched Matte Glass: Glass that is acid etched to a matte finish.
- GC00 Clear tempered glass with no back paint. Available on credenzas only.

Solid Surface Materials

- CS01 Corian Glacier White ½" thickness.
- QS__ Caesarstone 2cm thickness.

Certain Caesarstone-topped tables of 60" width and above may require an additional top section.

Paint

- SL__ Satin Lacquer: Opaque paint with a 50% typical sheen. Color codes are entered in the blanks.
- HG__ High Gloss Polyester: Opaque paint with a hand rubbed high gloss finish.

Metal

- MC__ Powder Coat: A coating that is applied electrostatically as a dry powder and is then cured under heat to allow it to flow and form a "skin." It is used to create a hard finish that is more durable than conventional paint. Color codes are entered in the blanks.
- PM__ Premium Metal: Electroplating produces a premium metal finish. Finishes are entered in the blanks.

Leather

- AU__ Spinneybeck Acqua leather is water-repellent, heavy, and durable, with a slightly raised grain texture.

DatesWeiser collaborates with leading colorists to develop a palette particularly suited to the executive workplace. This range is available on all our products and coordinates with our extensive veneer offering. To order actual finish samples, please contact customerservice@datesweiser.com or your local DatesWeiser representative visit www.datesweiser.com/contacts. If you don't see what you want, we are happy to work with you to develop a unique product solution.

DatesWeiser printed and veneer samples offer an example of what a typical veneer will look like, within a range of acceptability carefully determined by DatesWeiser. Samples and printed sample materials should be used as reference only.

STANDARD FINISHES

Veneer: Tier 1

T102 Rift European White Oak, slip match, Natural
T105 Plain-sliced Walnut, book match, Natural

PRODUCT MAINTENANCE

Regular dusting with a soft cloth will help prevent fine dust particles from becoming embedded in the finished surface. We recommend using a soft flannel cloth slightly dampened with water, followed by a dry cloth. Always wipe in the direction of the grain. Caution: Never use a chemically treated cleaning cloth.

For removing residues, smudges, etc., we recommend using a very mild (non-ammonia) soap and water solution. Apply with a soft flannel cloth, followed by a dry cloth. Always wipe in the direction of the grain.

Most stone and metal surfaces can be cleaned by following the same steps we recommend for our wood products. Granite and marble are both very porous and stain very easily. Lemon juice and other acids can etch the surface of the stone. Many stains are extremely difficult or impossible to remove, so please be careful. If a problem arises, please contact DatesWeiser for recommendations.

Glass can be cleaned with a standard brand of glass cleaner that does not contain ammonia or vinegar. Always use a soft, clean, grit-free cloth to reduce the risk of scratching the surface. We recommend a micro-fiber cloth and not paper towels. Care and cleaning of clear and acid-etched glass is the same. On non-tempered glass avoid extremely hot materials and on all glass avoid caustic substances.

We recommend using felt pads on all objects that come in contact with our furniture. Certain vinyl and rubber products can chemically react with the finish on wood if left in contact for extended periods of time. Coasters, place mats, notebook covers, and rubber or plastic feet (found on most accessories) can also damage wood surfaces. To avoid indentations caused by writing instruments, always use a non-vinyl blotter or writing pad.

All furniture should be used in a stable, controlled atmosphere and positioned to avoid direct sunlight. The ideal climate is 65 to 75 degrees Fahrenheit with 30 to 55% relative humidity.

Accessories

Accessories

Power & Connectivity
Slide Out Power Box

Hardwired Starting Price:	\$1,776	Plug In Starting Price:	\$1,507
Pattern Number: 00UMSOHW		Pattern Number: 00UMSOPI	
Includes : (1) AC Power Module - Hardwired (HW) (2) Single Space Blank Plates		Includes : (1) AC Power Module - Plug In (PI) (2) Single Space Blank Plates	
Finish : Black Powder Coat		Finish: Black Power Coat	

The Slide-Out Power Box is designed to be mounted on the under-side of a tabletop to provide easy access to power, data and communication feeds by the End User with an option to slide it back out of the way if not needed or if more seating space is required.

The unit is provided with 1 AC Power Module in both hardwire and plug-in options.

Its design also allows the use of standard Extron Single or Double AAP modules, ordered separately by the End User from Extron. See Extron’s website at https://www.extron.com/product/aap_selectorpopup.aspx to see what’s available.

The Slide-Out Power Box mounts to the under-side of a wood tabletop using wood screws and comes with all the hardware required to attach it to any Highline Table.

It can be mounted in any desired location, but it’s recommended to be mounted in-between users in such a way that when the box is extended, it is flush with the edge of the tabletop with only the handle protruding past.

Linkable USB Kits for Power Boxes

Linkable USB kits come in configurations of 4, 6, 8 or 10 module kits accommodating tables ranging up to 240" in length and 72" in depth.

Fits Double AAP Opening (Same as Extron Dual-AC Module 70-584-02) provided in all Tabletop, Undermount, Slide-Out Box and Power Drawer applications.

One power infeed required for every 8 modules.

All components finished black.

Each kit contains everything needed for installation. Including P-Clips for wire management. (Note: Power Boxes and Drawers are specified and ordered separately with table.)

Technical Specifications:

- 2- 1.2A/5VDC USB Charging Ports per Module
- 150W/5VDC or 250W/5VDC Power Supply
- 16 Gauge Direct Current Jumper Cables
- USA NEMA 5-15 and 15 Amp with 90° Plug
- UL 1310 Class 2 Listed
- Meets USB.org Battery Charging 1.2 Specifications

Terms and Conditions of Sale

Sales by DatesWeiser (hereinafter called the Seller) are made only on the terms and conditions set forth below. These terms and conditions may be modified or supplemented only by a written document signed by an authorized representative of the Seller. These terms and conditions supersede any prior and/or contemporaneous agreements or correspondence between Purchaser and Seller.

Ordering Information

All orders must be in writing. Product information required for a Purchase Order is described on [page 5](#).

A Purchase Order is not binding on the Seller until Purchaser has received Seller's Order Confirmation.

Pricing Policies

All written quotations expire thirty (30) days from the date of issuance and can be withdrawn by written notice anytime during that period.

Prices are List, F.O.B. from the DatesWeiser factory in **Buffalo, New York**. Shipping, packaging, inside delivery, uncrating, installation, storage, and sales tax (if applicable) shall be in addition to the list price and shall be itemized and charged separately.

List prices are subject to change without notice.

List prices shall be those prices in effect on the date the Seller receives a completed Purchase Order unless shipment is requested more than 120 days after the order entry, in which case prices in effect on the date of shipment apply.

Taxes

All sales, use, excise, and other taxes applicable to the sale of DatesWeiser Products shall be paid by the Purchaser. To claim an exemption from any tax, Purchaser must submit to Seller the appropriate exemption certificates.

Terms of Payment

A fifty percent (50%) deposit is due at the time of order placement and the remainder due within thirty (30) days of the date of invoice.

If, in the judgment of Seller, Purchaser's financial condition does not justify the terms of the payment, Seller may require full or partial payment in advance.

The ship date the Seller specifies is considered the invoice date for billing. The ship date will be confirmed by the Seller via a separate Acknowledgement issued upon receipt of a signed Purchase Order.

Past due accounts shall be charged one and one-half percent (1.5%) per month, or the highest rate permitted by law, whichever is less, and will be added to the outstanding balance. In the event Purchaser defaults on payment, Purchaser shall be liable for all collection costs, including reasonable attorney's fees and costs.

Changes and Cancellations

A confirmed order may not be changed or cancelled, in whole or in part, without prior written consent of Seller. Changes may effect delivery dates. Expenses incurred because of changes shall be charged to Purchaser. In event of cancellations, Purchaser will be liable for reasonable cancellation charges, including a \$500 administrative fee.

Seller is not required to comply with Purchaser's request to change a confirmed order, but all reasonable requests to change confirmed orders will be honored. Orders for special or custom Product may not be cancelled.

To be effective, a Change Order must be in writing, signed by the Purchaser or Purchaser's agent, and confirmed in writing by the Seller. Change Orders are subject to a charge for materials, labor, and other costs as determined by Seller.

Security Interest

Until Seller receives the full payment for the Product, Seller shall have a security interest in the Product. Purchaser agrees to perform all acts, including but not limited to the execution and filing of documentation, which may be necessary to perfect and assure the security interest of Seller.

Customer's Own Material (COM)

A Purchaser who requests a material not standard to Seller's line of Products (described on [page 6](#)) must submit a sample of the requested material to Seller prior to entry of a purchase order. Seller shall determine if the material is suitable to its manufacturing processes and meets any requirements of Underwriter Laboratories. If the COM is acceptable, Seller will then establish a price for using the COM on the Product in question.

Customer's Specified Laminates (CSL)

For custom wood or paint finishes add \$725 net per finish. This is a one-time matching charge. Custom finishes may extend delivery time up to four (4) weeks. Control samples of custom finishes will be provided.

Hardware

Final adjustment of furniture hardware such as hinges, drawer slides, drawer pulls, etc., at the installation and as a punch-list item, if required, is the Purchaser's responsibility.

Design

All Products shown in the Seller's Price List and Specifications Guide are, and remain, the property of the Seller, who reserves the exclusive right to manufacture them. All dimensions shown are to be considered approximate. Seller reserves the right to make changes in price, dimensions, design and/or construction without prior notice.

Shop Drawings

Seller allows for one (1) set of full shop drawings and one (1) round of minor drawing revisions in its pricing and scheduling. Thereafter, any significant changes in design, including dimensions, engineering details, and materials, or delays in reviewing and approving shop drawings, may necessitate additional charges and cause schedule delays. Seller reserves the right to determine the impact of any design changes and/or delays and will promptly notify those involved of any adjustments to cost and schedule.

Field and Hold Dimensions

If a dealer or third party is responsible for providing installation, the following is required: Full responsibility for providing accurate and timely field dimensions or hold to dimensions (in cases where walls are not erected) as it effects the ultimate fit of the installation. As an alternative, upon request, Seller can provide a cost for sending a field technician to the project site to assume responsibility for field dimensions and site evaluation.

FREIGHT AND DELIVERY

Products are carefully inspected and packaged before leaving the factory to ensure they reach their destination in excellent condition. Whenever possible, the Seller will ship in accordance with the Purchaser's instructions. If Purchaser does not specify shipping instructions, Seller will use its best judgment to determine the most suitable shipping method, route, and carrier.

Conditions beyond the control of Seller, including weather, available facilities and traffic conditions, may affect time of delivery.

Storage

If the Purchaser cannot accept delivery per the ship date specified in the Seller's Acknowledgement, the Seller may transfer the merchandise to storage, either at its facility or at another facility.

Purchaser will be charged a storage fee of two percent (2%) of the invoice for every thirty (30) days the products are stored at the Seller's facility.

For products stored in another facility, all out-of-pocket costs of storage, including transportation and warehousing fees, will be at the Purchaser's expense.

The Purchaser will be invoiced for all product charges on the date the Products are transferred to storage. Storage fees will accrue monthly in full month increments (they are not prorated for partial months) and will be added to the first invoice, which will also include non-product charges such as shipping, installation, etc.

Returns

Purchasers may not return Products without Seller's written approval and shipping instructions. Unauthorized returns, and returns shipped inconsistently with Seller's instructions, will be automatically refused by the Seller's receiving department.

Products not currently offered for sale by Seller, including special and custom Products, shall not be authorized for return. All returned Products must be unused, in original condition and in original Seller shipping cartons. No refund or credit shall be given for damaged Products.

CLAIMS

All shipments for Sellers Product are F.O.B. Origin. All risk of loss passes to Purchaser at time of delivery to carrier. Purchaser shall inspect all Products upon receipt and note any damage on the Bill of Lading and make an immediate request for inspection of damage by carrier. Seller is not responsible for damage that occurs in transit or storage.

Damage that becomes apparent after the Product is unpacked should be reported to the carrier and the Seller within twenty-four (24) hours of receipt. Damage that is incurred at a furniture dealer's warehouse is the responsibility of the furniture dealer.

For claims relating to Product damaged in transit, or for any other claims relating to or arising out of the transportation of the Product, Purchaser must seek recovery from the carrier. Seller may, upon request, assist Purchaser with filing of such claims with the carrier.

Claims for defects, errors, or shortages must be made in writing by Purchaser against Seller within 72 hours after delivery. Failure to make such claim within 72 hours shall constitute unconditional acceptance of the Products and a waiver of any apparent defects, errors, or shortages.

WARRANTY

Seller warrants its Products to the original Purchaser to be free of defects in workmanship and materials under normal use and under conditions for which the Product was designed for a period of five (5) years. This remedy is exclusive. Seller does not authorize any person to create for it any obligation or liability.

During this warranty period, Seller will repair, or at its option, replace, such Product proven to be defective. Seller shall not be liable for commercial loss or any consequential or incidental damages that may arise as a result of defective Product.

This limited warranty does not apply to:

- Damage caused by a carrier other than the Seller.
- Product not properly maintained per Seller instructions. Maintenance and proper environmental conditions are described in Seller's Published Price List. All furniture should be used in a stable, controlled atmosphere and positioned to avoid direct sunlight. Ideal climate is 65 to 75 degrees Fahrenheit with 30 to 55% relative humidity.
- Normal wear and tear or acts or omissions of parties other than Seller. This warranty does not cover any product repaired or altered by any person not so authorized by Seller, including user modification, improper use or installation of Products.
- Customer's Own Material and Customer's Specified Laminates.
- Durability or suitability of any exterior surface coatings or treatments.
- Matching of color, grains or texture except as specified in the Seller's Order Confirmation and the finish sample.
- Natural variations occurring in wood, stone, and glass shall not be considered defects, and the Seller does not guarantee the colorfastness or matching of colors, grains or textures, or surface hardness of such materials.
- Adequacy of any electronic components.
- Durability of glass used in Product.
- Live Edge natural slabs used for table tops.

Seller must be notified within 72 hours of receipt of shipment for any initial claims for defects, errors or shortages.

To obtain the benefit of this warranty, contact Seller in writing. It is the responsibility of the Purchaser to arrange the return of Product to Seller and to assume all costs relating to any incidental or consequential damages.

Disclaimers

THE EXPRESS WARRANTIES CONTAINED IN THIS SELLING POLICY ARE THE ONLY WARRANTIES THAT DATESWEISER MAKES AND TAKE THE PLACE OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE AND ALL OTHER WARRANTIES ARISING FROM COURSE OF DEALING OR USAGE OF TRADE.
