

Highline Vector

Conference and Meeting Table

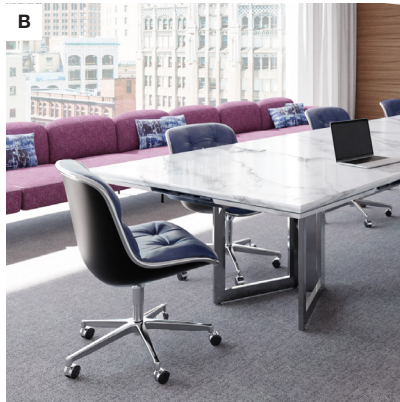

Highline Vector Conference and Meeting Table

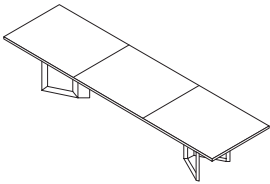

For the most elevated workspaces, Highline Vector conference tables offer sophisticated solutions that make an impact while inspiring connections. The v-base creates a light, open design aesthetic whilst maintaining robust wire management capacity. To match your vision, a variety of tops and edge profiles are available.

- A** Enriching large-scale or intimate meeting spaces with luxurious yet warm beauty, Vector conference tables are where collaborations, creativity, and big thinking happen
- B** Anchored in exceptional craftwork, the tables feature handpicked, mixed materials—wood, metal, stone, leather, glass—and refined details
- C** Plan in executive meeting rooms adjacent to C-Suite offices

Warranty
5 Years
